## ADMINISTRATIVE

On 4/11/64 Mr. W. DAVID SLAWSON, Representative of the President's Commission, while at the Mexico City Office, displayed to SA ROLF L. LARSON what he claimed had been the personal address book of LEE HARVEY OSWALD, one page of which recorded data relating to the Cuban and Soviet diplomatic establishments in Mexico City and to the Cuban Airlines office. Mr. SLAWSON suggested that it would be helpful if an effort were made to ascertain whether or not OSWALD had visited the Cuban Airlines office, and an effort was made to obtain that information through sources available to this office.

On the basis of the expanded information requested in the President's Commission letter of reference, the additional data in the enclosure was obtained.
