Re Legat cable number 885 dated 9/29 last and Legat airtel of same date, one copy of each of which is enclosed for information of Dallas.

Enclosed for Legat are title page and 40 pages of your 5/18 last summary letterhead in this case which have been amended by the Bureau in order to enable declassification of your summary letterhead. The declassified version of your summary letterhead has been reproduced by the Bureau on xerox equipment and, where possible, the pages in your original summary were utilized in the unclassified version. The 40 pages enclosed herewith, when inserted among the appropriate pages in your classified letterhead, constitute the unclassified version furnished to the President's Commission. Note in this regard that the information set forth on pages 122 through and including 127 of your classified letterhead has been condensed into pages 122 through and including 124 in the unclassified version. This has necessitated renumbering the pages in the original draft beginning with page 128. The unclassified version is now 178 pages in length as opposed to the 181-page classified version.

[REDACTED]

In preparing the unclassified version, the Bureau has endeavored to include therein results of all investigation, specifically requested by the Commission, and any investigation which was touched upon in the Commission's summary report. Accordingly, it was not possible to completely delete all of the information concerning Charles Small. The information concerning Small furnished by [REDACTED] has been further condensed in the unclassified version and dates when information was furnished by sources have been deleted.

In view of the extensive investigation conducted into the allegations of [REDACTED] and in light of the tenuous nature of his claims, Bureau deemed it inadvisable to delete his identity.
