FROM : SAC, BALTIMORE (89-30)

RE : ASSASSINATION OF PRESIDENT JOHN FITZGERALD KENNEDY, 11-22-63, DALLAS, TEXAS MISCELLANEOUS INFORMATION CONCERNING

On 4/6/64 HARRY KENNETH JOHNSON, 341 E. Moreland Road, Willow Grove, Pennsylvania, telephone OL 9-0293, area code 215 telephonically advised that on 4/3/64 he had parked his car in front of a Congressman's car at Friendship Airport, Baltimore, Maryland, and while walking by the car he noticed a book on the front seat stamped "Top Secret", and upon further notice he saw that it was a reprint on Presidential Fact Finding Committee on the Assassination of President Kennedy. JOHNSON noted that the car appeared to have a door lock not secured and he considered this a major breach of security and, therefore, was notifying the Baltimore Office.

JOHNSON stated the car was a black Mercury with Washington, D.C. license 7J173 and had a plaque, blue with white lettering, which said "Member of 83rd Congress H 51".
