Reference is made to the airtel from the Baltimore office in the above-captioned matter indicating a book on the front seat of a car believed belonging to a Member of Congress was seen at Friendship Airport. The book was stamped "Top Secret" and it was a reprint on the Presidential Fact Finding Committee on the Assassination of President Kennedy. The door of the car did not seem locked and the individual reporting this to the Baltimore office thought this was a major breach of security.

This matter has been checked by the Washington Field office and we have ascertained that the black Mercury with Washington, D. C. license 7J173 is a leased car by the Lincoln Mercury Division of the Ford Motor Company. The car is supposed to be assigned to the U. S. House of Representatives to the Majority Whip, 261 Constitution Ave. N.W. The Majority Whip of the House of Representatives is Representative Hale Boggs (D-La.) who is a member of the Presidential Commission looking into the Assassination of President Kennedy.

The Washington Field office in checking this today ascertained that the Secret Service was also interested in this same matter.
