

Notes for Conclusion

"AGENT" OSWALD

Kremlin chapter 8

Parenti, Dirty Tricks has useful list

Hal's from Waketh (Chapter 8)

Make pt. that US Army branded Oswald a Red on 11/22 and Hoover characterized him that day as a pro-Castro nut case. A communist.

Oswald called himself a Marxist. He hated the Soviet system (see 15H283-434 for his anti-Soviet writings. WCR p. 399 ". . . I hate the USSR and the Socialist system." He called the Kremlin bosses "fat, stinking politicians."

Nosenko told US that KGB thought Oswald a US "sleeper agent." Nosenko never testified before the Commission. It never talked to him. But he was asked to review its Oswald file. (source). Check WC ex. Session 6/25 Was Nosenko's name mentioned and whether to question him?

Dulles told WC that CIA had no agents in ~~Russia~~ ^{USSR}. WWIV, pp. 74/75 Was this 1/27?

US anxious to get him back from USSR

See Waketh, 181 O sets conditions for his return. This was after he told Snyder that he would tell Russ all the secrets he knew. (Check source in WCR). Was Snyder mentioned in W deposition? His condition about not being prosecuted by the Navy could not be agreed upon without the consent of the Navy. SD could not give him this guarantee when it helped him to redefect to the US. Have to assume that the Navy agreed to these terms.

No indication that WC or FBI ever asked for ONI records on Oswald. ONI should have debriefed him when he returned to the states. 181-2

Mention the suppression of the CIA-like number at 1/24 TCI meeting with WC. Also check with W deposition for O's 201 personnel file no.

p. 185 of Waketh, Hal quotes Rankin of 1/27 (p. 58) where he says "I don't see how the country is ever going to be willing to accept it if we don't satisfy them on this particular issue (Agent Oswald) not only with them (FBI) but the CIA and every other agency."

Would this make a good epigram for Conclusion?

LHO's mastering of Russian, both spoken and written. . . never investigated by WC.

No branch of government knew more about Oswald than the Navy. What was in the ONI file? I can cite the file at NARA.
