

Does this indicate  
that the CIA  
was using  
a stunner inside  
Cuban Embassy?  
Why else would  
CIA hide this  
from the  
FBI?

CABLE TO LEGAT, MEXICO  
RE: LEE HARVEY OSWALD  
IS - R - CUBA

NOTE: We received information from CIA prior to assassination that Oswald was in contact with Soviet Embassy, Mexico City. We did not receive information from CIA re contacts that Oswald is known to have had with the Cuban Embassy in Mexico City until after the assassination. We plan to make this a point in our answer to the Commission re our analysis of Oswald's Mexican trip. We want to be on sound ground, however, that the Legat, Mexico, did not receive such info locally from CIA.
