Hello Harold Weisberg!

Sorry to bother you, because I know you must be busy with your new book. I need your help. Could you tell me where I could get a copy of the Altgens photograph and also do you have a copy of the enlargement from it appearing in Whitewash II?

I am planning on doing a visual display and presentation in which I would like very much to use these photos. If you could supply me with these photos, or could tell me where I could find them, I should be very grateful. If there was a charge for these copies, please let me know how much and I will re-emburse you and pay postage.

I hoped to see you on David Dusskind's program on PBS last Sunday. I hope PBS didn't treat you as did IBC and the other networks.

I will let you get back to your work, and thanks a lot for your help. Incidentally, I got your new book mailing the other day, and I hope to order a copy from you very soon.

Thanks again.

Best wishes & good luck,

James E. Moore
