logs*

Jerry,

In case you're interested, I wanted to let you know that I just put up the Hoover logs for 1965 - 1972. Two caveats:

1. Jim Lesar's set is missing the 2nd half of 1966 and the 1st half of 1967.
2. The years 1965-67 feature a lot of redactions. Given that Jim had two copies of some other years, with varying redactions, it may be that these are from an earlier release. I don't know.
