Re: Records Related to Zapruder Film

Dear Ms. Nelson:

I represent the Assassination Archives and Research Center ("AARC"). The AARC provides information on the assassination of President John F. Kennedy and other subjects, including other political assassinations, to the news media and the public, as well as to its members.

As president of the AARC, I have been interviewed by many television news programs and documentaries concerning the assassinations of President Kennedy and Dr. Martin Luther King, Jr., the President John F. Kennedy Assassination Records Collection Act of 1992 ("JFK Records Act"), and related topics. I have also appeared on radio programs, including the Voice of America and The Larry King Show. I have appeared on a number of television programs, including CNN, Fox News, and Good Morning America (CBS). The Washington Post ran an op-ed piece by me on the need to release the records of the House Select Committee on Assassinations. This article was widely reprinted in other papers, as was an article on the AARC which was disseminated by the Associated Press. On June 8, 1997, the Washington Post published an op-ed piece by me on the assassination of Dr. Martin Luther King, Jr. I have been quoted by Reuters, the Associated Press, the New York Times, the Washington Post and numerous other representatives of the news media on matters pertaining to the assassinations of President Kennedy and Dr. King.

I testified to both houses of Congress regarding the pending legislation to require disclosure of records pertaining to the assassination of President Kennedy. In November 1993, I testified before the House Subcommittee on Legislation and National Security regarding the implementation of the JFK Act. On several occasions I testified at hearings held by the Assassination Records Review Board, a five-citizen panel appointed to enforce the JFK Records Act.

Pursuant to the Freedom of Information Act, 5 U.S.C. § 552, and the JFK Records Act, 44 U.S.C. § 2107 note, the AARC requests all records in your possession or subject to your

control related to the film taken by Abraham Zapruder ("the Zapruder film") at Dealey Plaza in Dallas, Texas on November 22, 1963, as well as other films taken at that site on that day, including but not limited to the following:

Sincerely yours,

Jim Lesar  
President, AARC
