1. 3x5 cards lay out SS report on Marina and Martin sex at the Willard Hotel when she was first testifying before the WC. SS reports confirm this and this becomes in time a significant concern for Rankin and Commission in that it throws a dark cloud over Marina's character.
2. Scoby to RussellMarina will face WC on this date 6/29/'64Warren has placed restrictions on what was on limits and what was off limits. . . .The area of questioning was reserved to the Nixon affair. . . (which no one could believe). . .Scoby notes that Marina lied on 2 occasions: when she first heard the name "Hidell." She notes that Marina only source on allegation that Lee shot at Walker and had plans to do the same with Nixon. She was only person to identify Lee's camera as the one in question in the famous backyard pix. . The only source for the allegation that Lee wanted to high jack an airplane to get to Cuba(wonder who suggested this to her); THAT HE FORCED HER TO SIGN Hidell to the FPCC card. . . . and the ridiculous Nixon episode where she locked him in the bathroom. . .
3. Doc. 3 most perceptive on Scoby's questions about Marina's testimony and the areas in which she was the only source. This justifies the chapter title: "The Commission's Star Witness." Be sure to check her graph on the Walker incident. See Doc. 3A attached
4-7 all refilled under "The Marin Affair."
8. White's chron. On Marina and the rifle. . .
