

## Marina's Assist on convicting Lee in JFK Assassination

Areas the FBI/WC were interested:

Title of File: Pressure on Marina/ File 3 doc. 6 Marina said that Lee had never been to Mexico. . .date 11/29/'63

Barton Hersh book notes on p. 429 that the FBI interrogated Marina 46 times while Commission was in session . .

\*\*\* Note I want to review my Walker Shooting file for Marina's role in pinning this on Lee. . . . Note: All Walker shooting docs refiled in my **Walker Shooting Files**

Note - F. Scobey's Reports to  
Russell on Marina's  
Conduct & fishy Testimony  
re: Lee's Role in the  
JFK case persuaded  
~~that~~ Russell to his  
interview with her  
in 1964

Russell made no comparable (or  
any at all) to make a special  
effort in any other WC  
witness
