IS - R - CUBA

During conversation with Assistant Director SULLIVAN at 4:35 PM, today, he was advised that during the interview with MARINA, today, her attorney, WILLIAM A. MC KENZIE, was present and during this time, he was in telephonic contact with LEE RANKIN of the WARREN Commission and informed him of the news release made by MARTIN in Houston concerning the fact that OSWALD had intended to shoot Vice President NIXON. Mr. SULLIVAN asked what Mr. RANKIN's reply had been and he was informed that MC KENZIE did not repeat the reply.

Mr. SULLIVAN was also advised that with regard to the NIXON story, MARINA stated during the interview that the info that she had previously furnished was just as she had told it and she was "sorry if we didn't believe her".

Mr. SULLIVAN was further advised that during MC KENZIE's telephone call to RANKIN, he advised RANKIN that the movie, "Trial of LEE HARVEY OSWALD", which was made by HAROLD HOFFMAN (ph) and LARRY BUCHANAN (ph), processed by Pathe Studios, Los Angeles, and narrated by CHARLES TESSEMER, with a final summation by TESSEMER, was due to be released. He informed RANKIN that he was taking steps to enjoin the movie to prevent the showing, as he felt it was detrimental to his client and in addition, he felt the movie should not be released prior to completion of the inquiry by the WARREN Commission.

Mr. BRANIGAN stated that review of the Bureau copies revealed they do not have page #115; however, they do have 2 pages #116. He requested that they be advised if the first page #116 should be 115 or if the Bureau is missing page #115 and they should still number the pages 116 and 116a.

This inquiry was furnished expeditiously to SA GEMBERLING for clarification.
