IS- R

Bureau letter dated 11/29/65 advised that captioned individual is the mother of LEE HARVEY OSWALD and it appears she will be of interest to the U.S. Government due to her voluminous contacts with prominent individuals and various government agencies in her efforts to clear her son of the responsibility for the assassination of the late President JOHN F. All Agents handling security investigations as well as all senior resident agents have been furnished the information contained in the above Bulet by memorandum dated 11/21/65.
