Doc. # 1 Hal note that makes the following points (not sourced):

SS arranged for Martin to move in on Marina. It conspired in the relationship. The SS Willard Hotel was bugged by FBI and discovered the sexual relationship. Hal notes that he FBI blackmailing of Marina. (Where in his SI files would this be?????)

Says SS used carrot on marina, promising to make her rich; the FBI used the stick w. threats of returning her and children to Russia. N

Doc. # 2 Hal note w. attached document (subject of Hal's note). He says here he has the SS in-house investigation into mistreatment of Marina.

Docs. # 3 Batch of FBI docs on the Nixon gamut. FBI dismisses marina's tale about Lee gunning for Nixon. This was a Marina lie. Was it sponsored by Martin to enrich her value to press and for book, etc. . . Marina was America's most news-worthy widow; cash in while they could. . .
