On March 3, 1964, [REDACTED] advised that MARINA OSWALD told him GEORGE BOUHE mentioned investigation concerning the DE MOHRENSCHILDIS. BOUHE, according to MARINA, said there is more interest in JEANNE DE MOHRENSCHILDT than in GEORGE DE MOHRENSCHILDT. Informant said MARINA discussed this with Mrs. KATHERINE FORD and both mentioned that the DE MOHRENSCHILDTs were in Haiti. Informant states KATHERINE FORD is of the opinion that GEORGE DE MOHRENSCHILDT was a good person before he started seeing JEANNE and indicated JEANNE caused GEORGE to stop attending church. R

Informant said BOUHE described GEORGE DE MOHRENSCHILDT as a pleasant person and stated DE MOHRENSCHILDT gave BOUHE his card on one occasion, saying that should BOUHE ever need the FBI in Washington, call him, DE MOHRENSCHILDT. Informant said he was not clear as to what BOUHE meant regarding this information. R
