3. (Sorrels to Curry 12/26/'63 He lays out the official account of Marina's that hangs Lee for the shooting attempt on Walker. This becomes the official account. . . He cites 12/10/'63 as the time of interview that exposed Lee's attempt on Walker. — See Sorrels (SS) with Marina
4. Contains Dallas PD Reports in April of '63 of threats on Walker and on Duff or McDuff nothing on Oswald as suspect in the April shooting.
5. More Preliminary Offense reports by Dallas police on the April shooting at Walker. . . . Oswald not a suspect. . . Duff gets attention . . . Writing note. . . suggest a possible homosexual link between Walker and Duff. . .
6. Once again I think 12/10 is a big date in Marina's testifying against Lee. . . She supplies needed detail about the Walker shooting and Lee's handling of the rifle, etc. . . . I think I will have a better idea of 12/10 after I get back into the Marina files. . .
7. Report by Gopadze 12/6/'63 . . Marina herself rehearses the motive for Lee's attempt on JFK. . . that was his earlier attempt on Walker.
