- 16.** \*\*\* Coleman and Slawson to Willens, date February 1964 (day is blocked out), Rankin Papers, NARA, box 10, folder 167 w/ comments on her WC testimony. . .
- 17.** Shanklin to File, 12/6/'63 89-43-2613 He notes that at 1:20 P.M. the Dallas PD did not have Oswald as a suspect in the Walker case.
- 18.** Dupe Shanklin to File, 6/10/'64 , 100-40461-6620 basic note here is that the WC is going to talk to marina because her statements now just don't jibe.
- 19.** Letter alleged written by Lee to Marina and shown to her by Gopadze who is SS. . .
- 20.** Hoover to Rankin, June 4, 1964 , 105-82555-3924 (copy found) Hoover speculates that (Nixon caper) that Marina may have been confused. He notes "We will question Marina further if there is any possibility Oswald meant to attack Mr. Johnson rather than Mr. Nixon." He notes that Nixon was not in Dallas at time Marina has him as a target by Lee. . . .LBJ visited Dallas on April 23, 1963, to deliver a major address at KASA Manned Space Flight Conference. Was Marina confused confusing Nixon with Johnson? Is Hoover's concern. . .
- 21.** Two FBI docs. . . point here is date 12/3/'63 when Marina confides to FBI that Lee took a shot at General Walker. . . . (Query: When did Katz introduce the Walker card into the Oswald case?) Review Katz file. . .Also a 12/10/'63 follow up from Shanklin to File, 12/10/'63 100-10461-959
- 22.** Shanklin to File, 2/19/'64 100-10461-3637 reports on lab report by Jevons which the Washington Post on this day (2/19/'64) which indicated that the rifle used in the killing of Kennedy was the same weapon used in the Walker shooting. . .Catch here: Jevons responded by denying he made this claim in the report he sent to Police Chief Curry that the slug retrieved from the general's house did not say anything like this." Why: Because the Walker slug was steel coated. See p. 2 of document. . .George Carter of the Dallas Times Herald asked Curry is he was going to close the case and Curry said technically, "I guess so in view of Marina Oswald's testimony " that since Lee told her he was the one who took a shot at Walker. (hard evidence was beside the point. Seems that Marina was carrying the day.
