Memorandum

TO : SAC, DALLAS (89-43)

DATE: 12/3/63

FROM : SA WALLACE R. HEITMAN

#21

SUBJECT: LEE HARVEY OSWALD, aka;
ASSASSINATION OF PRESIDENT
JOHN FITZGERALD KENNEDY,
Dallas, Texas, 11/22/63
AFO

MARINA OSWALD was read in Russian, the letter and she said that the letter had been shown to her today in the original Russian, by the Secret Service. She said this letter she had found in LEE's room where he kept his things at the Neeley Street address sometime last spring, the date she cannot remember. She said she remembered it was one night, and OSWALD did not arrive home when he should have. She became worried about 10:00 PM and went into his room and saw this letter. Later OSWALD came rushing in, very agitated and excited. He turned on the radio immediately and lay down on the bed very pale. She asked him what was wrong and he confessed that he had taken a shot at General WALKER but did not know whether or not he had hit him and wanted to hear on the radio whether or not he had hit him. She blamed him for trying to take a life. He told her that General WALKER was leading the Fascist organization here and it was best to remove him. She was quite relieved when she found out he had missed General WALKER. She did not see him take the rifle from the house that day nor did she remember him bringing it back that day. She believes that the rifle he used to shoot at General WALKER was the same she had seen in his possession at the Neeley address and the PAINE house. She said she kept this note so that she could use it to threaten him in the event he thought up some other crazy scheme. She told him that she would go to the police with it if he thought up anything else like this again.
