Mr. J. Edgar Hoover
Director
Federal Bureau of Investigation
Department of Justice
Washington, D.C. 20535

Dear Mr. Hoover:

In her testimony before this Commission Marina Oswald identified certain photographs as the property of her husband, Lee Harvey Oswald. She stated that Oswald had told her that such photographs depicted the home of General Edwin Walker. Those photographs have been admitted in evidence as Commission Exhibits 2 (p-2), 3 (p-1), 4 (p-5) and 5 and identified by your Bureau by the numbers, respectively, 7 (p-2), 14 (p-1), 6 (p-5) and 369.

The Commission proposes to include some or all of the above photographs in its final report. We would also like to include other photographs of the Walker residence taken from exactly the same positions from which the photographs described above were

taken so that the photographs found in the Oswalds' possession can be directly compared with photographs which can be independently identified as those of the Walker residence. Would you please have such photographs taken and delivered to us. The pictures should be identified and the procedures which were followed in their taking should be described in an affidavit of the person who actually takes the pictures.

We understand that Special Agent Shaneyfelt will be traveling to Dallas in connection with the proposed reenactment of the assassination which is to be carried on jointly by agents of your Bureau and members of our staff. Perhaps Mr. Shaneyfelt could arrange to take the necessary photographs of the Walker residence at that time.

We are most appreciative of your continued cooperation.

Sincerely,

BJ

J. Lee Rankin
General Counsel
