

UNITED STATES GOVERNMENT

# Memorandum

TO : FILE (89-43)

DATE: 11/25/63

FROM : SAC SHANKLIN

SUBJECT: ASSASSINATION OF  
PRESIDENT KENNEDY, 11/22/63  
AFO

CLARK ANDERSON, Legal Attache, Mexico City,  
called Dallas Office at approximately 1:00 PM and advised  
as follows:

[REDACTED] b1  
(c)

Note: Above information given by ANDERSON to ASAC  
CLARK by telephone Saturday night, 11/23/63.

ANDERSON stated BELMONT was also interested in ALEX  
HIDELL, the question being, "Has HIDELL been identified as a  
separate person?"

I advised ANDERSON that we have never come up with  
anything; that the gun that was used here was shipped to  
OSWALD under the name A. HIDELL at OSWALD's P. O. Box number  
and that the Laboratory made the handwriting examination and  
determined that the handwriting on this A. HIDELL was identical  
with OSWALD's handwriting.

RUDD, when he came back, mentioned at time he was  
arrested he had a Selective Service card under name of ALEX  
HIDELL and Selective Service records in Ft. Worth do not show  
any HIDELL. It is a complete phoney, I advised ANDERSON; there  
is no such number for that Board.

ANDERSON was advised that although we had a WATS  
line to San Antonio, our lines were pretty well tied up at  
this time, and he stated he would call San Antonio Office  
and give them the above lead.

At 2:00 PM this date I furnished par 4 and 5 to SAC HARRY MAYNOR, New Orleans. He stated he would have the same checked.

In addition, I advised him that in OSWALD's possessions taken by the Police, there had been located today something purported to be a vaccination certificate dated June 8, 1963 from the U. S. Department of Health, Education and Welfare, New Orleans, La.; this purportedly reflecting a vaccination by Dr. A. J. HIDEEL. There was a rubber stamp with this signature and some writing which looked like ART HIDEEL.
