## Memorandum

TO : SAC

FROM : ASAC, JOSEPH T. SYLVESTER

SUBJECT: ASSASSINATION OF PRESIDENT  
JOHN F. KENNEDY  
NOVEMBER 22, 1963  
DALLAS, TEXAS

DATE: 11/27/63

After discussing this matter with Inspector DON MOORE of Division 5, I placed a call to New York at 2:22 PM and spoke with Supervisor JACK DONAHEE.

In particular what I am interested in is a check of the insurance companies against the name of HARVEY LEE OSWALD or anyone named OSWALD, and also under the name ALEK, J. HIDEELL or any surname. Also name O. H. LEE or any last surname. This is for two specific dates, September 17 and 18, 1963, on any insurance policy which might have been issued.

The Continental Casualty Company forwarded to the Airport Sales Corporation, 121 Long Island Expressway, Jericho, Long Island, New York, c/o PATRICK J. RYDER, telephone # ED 3-5610. Also the Fidelity and Casualty Insurance Policies forwarded to the Fidelity and Casualty Insurance Company of New York, Air Travel Department, 141 Livingston Street, Brooklyn, New York.

It is alleged from a CI down there he was in the Cuban Consul on September 18. For your information, on September 17 we have got him in New Orleans. We don't have and we have checked the airlines leaving here out under his true name and aliases, but if he did use another alias he undoubtedly took out his insurance in his true name, but these other two aliases are the ones he has used more than anything else. That is the only reason I gave you the last name of HIDEELL and LEE. He wants a telephone call and would like to know by teletype just this one thing at this time.
