*Part control of Marina  
Harvey*

I related that on the fifth floor of the building where we found the gun and the wrapping paper we found three empty shells that had been fired and one that had not been fired; that he had four but didn't fire the fourth; then threw the gun aside; went down the steps; was seen by a police officer; the manager told the officer that Oswald was all right, worked there; they let him go; he got on a bus; went to his home and got a jacket; then came back downtown, walking; the police officer who was killed stopped him, not knowing who he was; and he fired and killed the police officer.

The President asked if we can prove that and I answered yes.

I further related that Oswald then walked another two blocks; went to the theater; the woman selling tickets was so suspicious - said he was carrying a gun when he went into the theater - that she notified the police; the police and our man went in and located Oswald. I told him they had quite a struggle with Oswald but that he was subdued and shown out and taken to police headquarters.

I advised the President that apparently Oswald had come down the steps from the fifth floor; that apparently the elevator was not used.

The President then indicated our conclusions are: (1) he is the one who did it; (2) after the President was hit, Governor Connally was hit; (3) the President would have been hit three times except for the fact that Governor Connally turned after the first shot and was hit by the second; (4) whether he was connected with the Cuban operation with money we are trying to nail down. I told him that is what we are trying to nail down; that we have copies of the correspondence; that none of the letters dealt with any indication of violence or assassination; that they were dealing with a visa to go back to Russia.

*Mrs. Marina Oswald*

I advised the President that his wife had been very hostile, would not cooperate and speaks only Russian; that yesterday she said, if we could give assurance she would be allowed to remain in the country, she would cooperate; and that I told our agents to give that assurance and sent a Russian-speaking agent to Dallas last night to interview her. I said I do not know whether or not she has any information but we would learn what we could.

The President asked how Oswald had access to the fifth floor of the building. I replied that he had access to all floors. The President asked where was his office and I stated he did not have any particular place; that he
