The Honorable Earl Warren
Chief Justice of the Supreme Court,
Washington, D. C.

My dear Mr. Justice:

Recently we have been informed that Norman Redlich,
the \$100.00-a-day special consultant to the Warren Commission
investigating the death of former President John F. Kennedy,
has been connected with a number of ultra-left causes.

We object greatly to having this man on such an important
assignment, and urge you to do something about it.

Very truly yours,

Mrs. A. De Kruyter
