Honorable Earl Warren
Chief Justice of the United States
Supreme Court
Washington, D. C.

Dear Chief Justice:

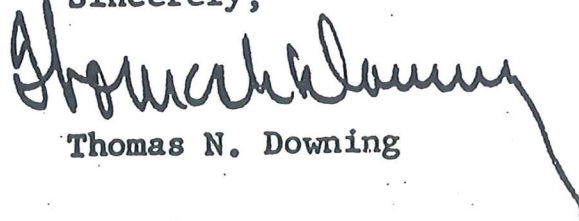

I am enclosing a copy of a resolution recently passed by the Virginia Society of the Sons of the American Revolution stating that Mr. Norman Redlich presently employed by the Warren Commission has definite association with known communist fronts.

If this allegation is true, it is my opinion and belief that he should not be associated with this important Commission.

Would you kindly inform me as to whether Mr. Redlich does have association with organizations included on the subversive list issued by the Justice Department?

Thanking you, I am

Sincerely,

Thomas N. Downing
