John W. Snyder
U.S. House of Representatives
Washington D.C.

Dear Mr. Snyder:

An article in a Young Americans for Freedom publication noted that Sen. Karl Mundt criticized the Warren Commission for employing a staff member with Communist front affiliations. Specifically mentioned was NYU professor Norman Redlich, a member of the National Council for Emergency Civil Liberties Committee, which the publication alleges is a Communist cover.

I would like to know whether this statement is true, and if so, who is

I will be very grateful for any information you can give me.
