Jerry,

I can't explain that. Can you please tell me if this works for you:

1. go to [www.maryferrell.org](http://www.maryferrell.org)
2. click on "jfk assassination" tab in the banner near the top of the screen
3. In the sidebar on the right side, click "documents"
4. scroll down to "church committee" and click it
5. click "church committee reports"
6. click on "church committee book III ....."

This is the browse path to the same link below. I would be very curious to know where this goes wrong for you.

Rex
