OFFICE OF THE
DEPUTY ATTORNEY GENERAL

12/6/63

12:45

Mr. Katzenbach:

Mr. DeLoach called to tell you Messrs. Carr & Jaworski had a very nice conversation with the Director for approximately fifteen (15) minutes duration. It was very friendly, and when they left the Director's office they went with Mr. DeLoach to his office.

Mr. DeLoach said "we approve the press release and so advised them insofar as the FBI is concerned."
