

For my immediate purposes I needed only the first and last pages of this farcical TCI report. In making copies for my use I made them also for you, Dave and Gerry to show how trivial what Jaworski et al evolved really was. Note headline-size body type, wide spacing between lines and at all edges and relatively small page size.

REPORT TO
GOVERNOR JOHN B. CONNALLY OF TEXAS
FROM
ATTORNEY GENERAL WAGGONER CARR
REGARDING THE EVENTS IN DALLAS
OF NOVEMBER 22, 1963, AND
SUBSEQUENT THERETO

I deem it appropriate to supplement the report of the Warren Commission with explanatory comments directed primarily to you and my fellow Texans.

Following the funeral of President Kennedy and after a conference with the White House, the conclusion was reached that a Court of Inquiry should be conducted in Texas to develop fully and disclose openly the facts pertaining to the assassination of President Kennedy, the serious wounding of Governor Connally, the murder of Dallas police officer J. D. Tippitt, as well as such other events growing out of these tragedies as called for a development of the facts and as are appropriately the subject of investigation by a Court of Inquiry. There were impelling reasons for such an investigation, among them being the recognition

prominently participated in the preparation of this report and approve it as herein presented above.

Finally, I wish to say to you that we and all Texans owe a deep debt of gratitude to the two distinguished members of the State Bar who so unselfishly answered my request for assistance as Special Counsel in this investigation. Mr. Leon Jaworski and Dean Robert G. Storey have given many hours of their time. Without their invaluable counsel and assistance, our work could not have been so thorough nor complete.
