The attached expended bullet was received by me about 5 min., prior to Mrs. Kennedy's departure from the hospital. It was found on one of the stretchers located in the emergency ward of the hospital. Also on this same stretcher was rubber gloves, a stethoscope and other doctor's paraphernalia. It could not be determined who had used this stretcher or if President Kennedy had occupied it. No further information was obtained.

Name of person from whom I received this bullet:

Mr. O. P. Wright
Personnel Director of Security
Dallas County Hospital District
