FBI notes thos as Volume I.

Contains hundred or more letters from Americans who felt sympathy for Marina and her babies and contributed small amounts (for the most part) to assist her at this time. Funds must have amounted to over \$100,00. They were generally sent to DL FO or Ft. Worth to be sent onto Marina.

I made some copies of representative letters.

I could not find where FBI investigated the couple in New Jersey who offered to take Marina and her little girls into their home.
