FOIA Release

CIA Station Worker Dir of

Oswald visit to SW. Embassy on 10/1 and
9/28 - where he spoke to Kostikov.

9/25 last when CIA said he spoke to

Kostiko. Photo was of MM - according to

description

Did McCone
bring up
Kostikov (OSWALD)
when he spoke
of OSWALD on 11/23
- or that McCone was
not Oswald

CIA Doc. 7-2
FOIA. April 1976

20 attachment.

Dir. to Mex. City Station 10/10/1963

Costly but no photo of Oswald - but his

file description is 24 yrs + age - 5'10, 165

pounds. etc - Des. of Oswald

So Mex. Station should have known on 10/10 that
photo was not of Oswald.

McCone
should have
been more
suspicious
this - an
institute?
