

Phone call from Tink 4/20/69  
about 4 pm re

Leptstein piece in NY Times Mag

— thought SA letter was good  
but agreed also send short  
letter

— Wecht says Russell Fisher  
2 al when found Crownick  
object asked examine  
brain (which preserved)  
but Justice Dept (?) said, No.  
Fisher was pretty sure  
object was part of bullet
