"...The report covers the advance preparations of the Secret Service for the Presidential visit to Dallas on November 22, 1963, and its activities on that day in Dallas. It does not include investigative activities by the Secret Service to ascertain or to assist in ascertaining the identity of the President's killer or his motives. We have made available, and will continue to make available, to the F.B.I. all reports on such activities...."

Contents: I Advance Preparation

II Narrative of events, Nov. 22

III Subsequent activities (pp. 28-31) (Nothing on the autopsy, beyond noting that the 88 was the place where the Pres. was taken.)

The above is Vol. 1. Vol. 2-4 are exhibits; most are also CE's, lots are routine (speeches, mentions of babystop, sample press ID's, etc.)

Salandria says that there is a significant statement by Clint Hill here which is not in the volumes, but I missed it.

CD7 \*\*

CD 8 Xerox, not original; 11 pp. Lots of "resources," (including the statement about confidential sources used in the report). Pp. 1 and 11 have deletions, probably just of the original classification stamp (confidential, ...)

CD 9 Xerox, 15 pp. Pp. 1, 14 have deletions, as above.

Pp. 8, 10, 11 are indicated as 1059, 1060, 2669 respectively.

I didn't see anything interesting in the other pages, but maybe.

CD 10 Xerox, some deletions. CD 10 has CONFIDENTIAL stamp on back appears to have shown through on the front.

p. 7: On Aug. 17, 1962, Dallas T-1 said that O. had not been mentioned in connection with CP activities in Fort Worth.

CD 11 Xerox? (some kind of copy); Dallas, 9/10/63; no deletions

p. 2: on 8/28/62, Dallas T-1 said O. was subscriber to Worker when at Ft. Worth.

on 10/1/63, Dallas T-2 said O. had been in contact with FPCC in NY.

(Some info. from contents of letter given here.)

CD 12 7 pp. mostly original; Kaack, N.O., 10/31/63. Originally stamped Confidential.

p. 1: on 10/23/63. N.O. T-1 said O. rented NO box 30061 on 6/3/63.

p. 17: NO T-1 is an employee of another govt. agency.)

pp. 1-10: Xerox copy of Quigley interview.

CD 13 9 pp., original. By James Moransey, D.C. office.

Interviews with John Donovan, wife of Sylvia Hoke, sister of R. Paine

p. 4 Codes changed on O. Section, says Donovan.

p. 5: "Donovan stated that O.'s position required a secret clearance."

Donovan gives a generally favorable impression of O.

\*\* CD 7 This is marked "x" on the list, but upon request Mr. Simmons sent me a copy of section on the autopsy, pp. 280-88. Pages 281-5 are the report of FBI agents Sibert & O'Neill, which is of course consistent with the Summary and Supplemental Reports. (Some of the latter is verbatim from these pages.) (\*P.H. Has copy.\*)

- CD 77 Cover letter, Rowley to Rankin, Dec 20. Full text: "There is attached standard form 503, a clinical record of the autopsy protocol prepared by the Naval Medical School, Bethesda, Md., relative to the autopsy performed on President John. F. Kennedy." Accompanied by 6 pp., marked CE 391.
- CD 80 Rowley to Rankin, 5 pp. concerning treatment of car after assassination.  
p. 3: SA Gies, who was responsible for the car, is pretty sure that the dent in chrome above the rear view mirror was made before Dallas.  
p. 3; on 11/22, a 3" triangular section of skull was recovered (from car, I think) as were fragments of bullets, Q2, Q3.
- CD 81 DPD file. Lots of original papers, but no Betzner pictures, etc.  
81.1 h contains a good glossy of the SS reconstruction plat map. (CE 585)
- CD 87 Lots of SS Reports. Also lots from here are withheld.  
Vol. 2, SS # 233: Explanation of film of reconstruction. 3pp. typed, no signature. SS 232, 234 are missing.  
Vol. 3, SS 418: includes 8 x 11 of the well-known Moorman picture, not too clear.  
Vol. 4, SS 491: Statements of TSBP employees, gathered by SS 12/2-6/63.  
SS 517: Investigation of 544 Camp St., N.O.  
SS 538: Re microfilming of O's possessions by DPD, who missed a good part due to error. (See CD 102u)  
SS 541 Re Mr. L'eandes.  
Vol. 5, SS 561: Dec. 1, Inspector Kelley sending Parkland reports on JFK to Chief.  
SS 563: Tippit autopsy (about 6 pp.)  
SS 576: Dec. 9, 2 pp. Customs agent Martinez said Kline said that he told newspaper reporter that he had seen Mexican govt. documents relating to O's entry into Mexico.  
SS 598: last page: Texas Justice of Peace Theran Ward says, in some official document, that JFK was hit "near the center of the body and just above the right shoulder."  
SS 633 Includes trajectory based on 'correct' autopsy report. (\*PH has copy\*)
- CD 88 No plat map, = CE 875 exactly. (SS reconstruction.)
- CD 102u 2 reels microfilm of O. possessions; part blank.  
Reel 1: Photos, literature, letters, etc.  
Reel 2: Etc., including, near end:  
Form W-2, 1962, J-C-S, showing \$727.81 total, 22.75 FICA, 55.40 withheld for federal tax. Address: 3519 Fairmount
- CD 107 FBI app. Rept., 67 pp. + exhibits, Made available by Simmons upon request.  
p. 27: "According to Mrs. DeMorenschildt, sometime in the Fall of 1962, while she was visiting Mrs. Oswald, the latter stated, 'Look how crazy he is, now he has bought a gun.' On that occasion, Mrs. DeM. said, she saw a gun, which she described as being about 'four feet long! but she did not handle it or closely examine it. She did not know whether it was a rifle or a shotgun and was not certain whether it had a telescopic sight. ((Mrs. O. thought it was at Neely St., i.e. March or April '63. The DeM.'s, reinterviewed, agreed. This is the end of FBI comment on this incident, which the FBI apparently accepts.))  
p. 38-9: Re O's 1962 income tax return. Dated Jan. 29, showed income of \$727.81 from J-C-S, \$626.25 from Leslie. "On this return he claimed three exemptions and showed that a \$57.40 (sic) withholding tax had been deducted from his wages. Attached to his 1962 return is an undated letter as follows: ... (total 1962) \$1356.06 (sic) ... I believe if you check your records to substantiate these figures you will find I should get a substantial refund from the taxes taken from my wages for fiscal 1962..."

As an indication that this report is not horribly accurate: on p. 35, the income from Pfisterer Dental Lab. Co., N.O., where O. worked briefly in 1956, is listed as "unknown, " but on p. 38, from tax records, this figure is given as \$612.00.

1956 return: \$772.46 in, \$81.70 withheld, \$64.70 returned.

p. 43 Reading the Twiford incident as presented here, one sees the possibility of a fake Oswald here too.

p. 45 "The ACLU has not been investigated by the FBI."

To fix the date this report was written, note:

p. 42: On. December 27, 1963, Robinson Jones, Secretary, Socialist Party-Social Democratic Federation, 1182 Broadway, New York City, advised that a review of the files of that organization did not show any correspondence pertaining to Lee Harvey Oswald.

p. 49 "On, December 27, 1963, Patricia Winston and Pamela Mumford, both of 153 North New Hampshire Avenue, Los Angeles, California, stated that Oswald was on the Red Arrow bus and introduced himself to them after they boarded it at Monterrey."

→ Recall that the FBI received the autopsy report from the SS on Dec. 23. Finally, pp. 66-67: "Scope of Investigation" (and conclusions, more or less)

- CD 208 Re Ruth Paine. No particular interest.  
(This was originally withheld; when I asked for it (by mistake), Mr. Simmons noted that the only reference to Ruby was that William Hyde had not heard of him before 11/24, and let me see the document. )

Cover letter: 1 p., Hoover to Rankin, Jan. 20, 1964, 28 copies of brochure sent along.  
First section is 18 nice large color pictures of model of assassination scene.

{SS650 Re O's alleged appearance in D.C. on 9/27/63. Negative results of inv. so far.  
{SS659 Forget it, O. was in Mexico then. (Good example of failure to consider  
false Oswald hypothesis.)

{SS705 12/12, and 736. Both indicate direct contact between Hudkins and SS.

{SS767 Hudkins on info. from Sweatt, as quoted by Epstein. (2 pp., \*P.H. has copy\*)

SS745 Entitled "Assassination of President Kennedy, Igor Vaganov--Suspect."

CD 350 2 p. letter, Hoover to Rankin, 1/31/64, plus 4pp. interview with Don Reynolds, 1/24.  
Interview: p. 1: Reynolds a long-time friend of Bobby Baker. In Baker's office on  
inauguration day in 1961, Baker said "words to the effect that the s.o.b. is being

- CD558 Internal Commission memo, 3/17, by Eisenberg, rearranging the FBI evidence for convenience. Descriptions are somewhat better than in CD 345. Mentions that there is a photo of each exhibit (photos not included here). List included # 1-455, B1-33, A1-85, C1-243, D1-72.
- CD 562 3 pp. Rumors; someone said something about JFK being killed if he went to Texas, etc. Nothing of interest.
- CD 571 - 596 Each contains a glossy or Xerox of the item, and a cover letter indicated where the item was obtained, and references to previous investigation concerning these items, in various reports of Gemberling, deBrueys, etc.  
Of particular interest:  
CD 574: 2 empty cardboard ammo. boxes found near abandoned gravel pit near Irving, made available by Sheriff's office, Dec. 11.  
On boxes: "Per Armi Mod. 38 Partita No. ... 5.039-002/1- 1939 (the 2/1 part is unclear)

Pp. 8-10 is the same report as CD 477, but typed on a different machine.

Document 4-55 is another copy of CE 917. Here, 4th line reads "and (deletion) former navy." (Reference is to Webster) H. has copy of this page.\*  
On cover of file 6 "Document VI-..." is a highly classified CIA document and must be pulled out of this file before the Commission ends its work."  
File 7 is statements made after 11/22, by embassy personnel, etc.

- CD 1167 5 pp. Someone (passenger in N.Y. taxicab) allegedly claimed he would kill JFK.  
(I chose to examine CD 1160-7 to see what "random" or typical FBI reports are like.)
- CD 1183 2 pp. letter is CE 1406. Copies or the papers are "attached," but not in the folder in the archives.
- CD 1218 9 pp., only p. 5 withheld. (pp. 2-4 are CE 2580) (This is "x(Ruby)" on index.)

- CD 1286 1 p. letter, Hoover to Rankin, 7/23. Confirming discussion by Willen with Malley of FBI that there is no need to make "available to the Commission for permanent record the reports from our Dallas office for the year 1963 which pertain to persons believed active in the Communist Party or the Socialist Workers Party. Regarding your request concerning the John Birch Society and "Minutemen," this is to advise this Bureau did not conduct any investigation of those organizations or its (sic) members in the State of Texas during 1963."
- CD 1308 1 page, CE 2584 only.
- CD 1349 14 pp., 7/17/64, DeBrueys, NO, on J. Pena.  
Investigating report that Pena intended to go to Moscow on his current trip. p.5: Pena "had, during the years 1961 and 1962, furnished information to the FBI office, New Orleans, concerning persons who he claimed were pro-CASTRO in his opinion." (Viz. 11H361)  
DeBrueys seems to have this thing about whether Pena is pro- or anti-CASTRO. DeB. might be an interesting figure, He doesn't seem to bright. Pena has a record of many arrests, no convictions.
- CD 1383 This contains even less than the Shaneyfelt Exhibits on the mark on the curb.
- CD 1405 1 p., Hoover to Rankin, 8/20. The shirt CE 150 is identical to that in Yarborough Exhibit A, p. 26 (sic) of the Post, 12/14/63, and may be identical to that on Hill DE A,B. (\*Ramparts has copy.\*)
- CD 1426 Long report on Molina. 8/20/64, about 42 pp.  
Refers to informant Wm. J. Lowery, who was for 18 years (to 9/23/63) a member of the CP in Dallas. (Also member of GI Forum)  
Molina was part of the anti-CP faction of the GI Forum.  
Pages 5,7 withheld. Some pages are CE 2036,2049,3132,2065,1970.  
This is a rather interesting example of how the FBI operates, etc. For example,  
p. 6. Report on a picnic attended by certain Commie sympathizers.  
p.6 On GI Forum protest against segregated swimming.  
p.22. Before the assassination, the DPD knew of Molina's membership in the Forum.  
p.26-7. Refers to an (apparently) illegal search of Molina's place on 11/23.  
p.31A: Names of some CP members in Dallas-Ft. Worth: Augustin Estrada (leader), Dan Yarborough, Elwood Ross.
- CD 1476 Uninteresting. Discusses a group photo from Mexico. Someone thought he had seen Oswald (at a hotel?).
- CD 1511 Lots of pictures of Marina's papers, letters, playing cards, etc. 9/9/64  
1 p. letter, Hoover to Rankin. The above was searched for microdots.  
"We intend to review all the property of Marina...."
- CD 1514 5 pp. Strange letters, from Shirley Martin, giving the FBI & WC troubles.
- CD 1521 3 pp. report by FBI of interview with Shirley Martin. She was acting strange & uncooperative, FBI befuddled. (Cf. CD1514) Mildly amusing.
- CD 1549 2 pp. letter from Hoover, dated 10/30/64, to Rankin, on Lane-Belli debate in SF. Amusingly straight-arrow style.  
p.1: "According to a source of this Bureau who has furnished reliable information in the past, approximately 4000 people attended the debate between Mr. Belli and Mr. Lane and paid from \$1.50 to \$5.00 each for admission."  
plus: 4 page report from SF office, dated Oct. 20. "This meeting was attended by a Special Agent of the FBI and Mrs. Helen Janet Meyer, 125 Arbolando Drive, Walnut Creek, California." The report of the debate is straight and not horribly perceptive.

CD 1553 Cover letter, Hoover to Rankin, 11/9/64 (sic). The enclosed completes our investigation of the allegations concerning Odio. There are lots of apparently unevaluated reports concerning Odio, Hall, et al., the gist of which appears to be that Odio was mistaken, or at least that Hall &c. had not visited her. (\*P.H. has Xerox of 4 pp. of this.\*)

CD 1554. Cover letter, 1p., Hoover to Rankin, 10/14/64. "List of exhibits being retained in the custody of the FBI at the present time."

Zapruder film.

You can't really tell much from seeing the film a few times. My impressions were the following:

- 1) JFK's reaction to the first shot(s) appears slow and extended, not abrupt.
- 2) There is a fairly long time before the head shot.
- 3) After the head shot, the President moves very quickly to his left, his entire upper body moving toward Jackie. Although this reaction may be consistent with a shot from the rear, I think that most people viewing the film would consider it strong evidence of a shot from the right front.
- 4) There is definite leftward motion of the head and shoulders between frames 313 and 315. (This is quite visible if these two frames are projected on the same screen by two projectors. Line up the car edge, etc. and then look at the two slides alternately.)
- 5) The last part of the film includes a view directly into the stockade fence to Zapruder's right. I didn't see anyone. The archives has no slides of this part of the film.

Of course, the slides are much more informative. Salandria has lots of notes on his observations.
