Mr. FRANKLIN KAISER advised he is an order clerk and truck driver for the Texas School Book Depository, Inc. (TSBD) at 411 Elm Street in Dallas, Texas. He said he has been employed in that capacity for about one year. Mr. KAISER produced a "home-made" clip board which measures  $9\frac{1}{2}$ " by  $11\frac{1}{2}$ ". It is constructed of corrugated cardboard covered with 3" Kraft paper shipping tape and has a 2" metal "LEB" binder clip. KAISER said that he gave this board to LEE HARVEY OSWALD so that OSWALD could clip his orders to it when he was filling the orders as an employee of TSBD. He said that he believed OSWALD used this board on November 22, 1963, prior to the assassination of President KENNEDY and he, KAISER, located the board on the sixth floor in the northwest corner of the TSBD building east of the stairwell wall between two rows of stacked boxed books a few days after the assassination of President JOHN F. KENNEDY.

The clip board was identified by Special Agent ARTHUR E. CARTER writing "100-10461", "3/10/64" and the initials "AEC".

Mr. KAISER advised he resides in a trailer park located at 5239 Ledbetter Drive in Dallas, Texas.
