Mrs. A. C. (CLADYS) JOHNSON, 1026 North Beckley, and owner of that residence, advised she and her husband reside at that address and in addition rent several rooms to the public. Mrs. JOHNSON exhibited the room which was previously rented to, and occupied by, LEE HARVEY OSWALD immediately prior to the assassination of President JOHN F. KENNEDY, to interviewing agents. This room is located on the north side of the house and access to it is gained from the dining room through two thirty-two inch solid wooden double doors. The room measures approximately five feet in width and approximately thirteen and one-half feet in length. The entry doors are located on the south wall of the room and the north wall is comprised of four double-hung wooden sash windows each approximately thirty-two inches in width and equally spaced along the wall. The five foot east wall likewise has one thirty-two inch double-hung wooden sash window centered in the wall. The west wall is solid and the entire room is painted a light aqua color. All of the five windows are fitted with venetian blinds and the entire north wall is spanned with a room-length traverse rod on which is hung floor length draperies covering the entire north wall. The east wall is similarly spanned by a floor length drapery of the same material.

The room is furnished with a single iron-rail bed located in the northeast corner of the room, a large wooden movable wardrobe in the southwest corner of the room, a small plastic-top table north of the wardrobe, and a night stand next to the head of the bed in the southeast corner on which sets a table lamp. On the linoleum tiled floor are two small throw rugs. A light fixture containing only a light bulb and no shade is fastened in the center of the north wall.

Mrs. JOHNSON advised the room is in essentially the same condition as when occupied by LEE HARVEY OSWALD with the exception of the new window coverings, which she has since replaced.

Mrs. JOHNSON advised that the room formerly occupied by LEE HARVEY OSWALD at that address had curtains over all the windows at the time OSWALD occupied it. Mrs. JOHNSON said double doors opened into OSWALD's room and directly across from these doors running the

entire length of the room were a series of wooden double-hung windows. Above these windows, Mrs. JOHNSON stated, was one flat type curtain rod composed of a number of sections of the five and ten cent store variety, which was fastened above the windows and extended the entire length of the room. At each end of the rod thirty-inch pink side-drapes were hung with white lace curtains in between. She advised that venetian blinds covered each window. Mrs. JOHNSON said upon entering this room there was on the right, or end wall, one wooden double-hung window which was also covered by a venetian blind and over which hung a white lace curtain. Mrs. JOHNSON said that because of all of the windows in this small room, it was very light and cheerful.

Mrs. JOHNSON stated that when the Dallas, Texas, police searched this room following OSWALD's arrest, they bent the rod which held the drapes and curtains. Consequently, she stated, she had the old rod taken down and replaced it with a traverse rod and aqua-colored acetate drapes. A traverse rod and the same color drapes replaced the lace curtain which was on the end wall window.

Mrs. JOHNSON said OSWALD had not been engaged by her to hang any curtain rods nor did he ask her permission to hang any curtain rods. Further, she stated, OSWALD did not at any time make any mention to her of replacing the curtains in his room.
