

By letter dated January 11, 1964, J. D. ROYCE, 496 West Scott Avenue, Clovis, California, advised Parade Publications, Inc., New York, New York, that he had what he believed to be "positive proof that LEE HARVEY OSWALD did not assassinate the President of the United States."

On January 23, 1964, J. D. ROYCE advised Special Agents of the FBI that the "positive proof" he referred to in the above-mentioned letter was based entirely on a double-page photograph which appeared on Pages 24 - 25 of the December 14, 1963, edition of the Saturday Evening Post. He stated that after examining this photograph with a magnifying glass, which photograph was reported to have been taken the instant President KENNEDY was shot, he was convinced that the individual standing in the background in the left edge of the doorway was OSWALD.
