

Testimony of Sam. Holland

VOL. XXIV p.212

"...I was standing on the top of the Triple Underpass...I heard what I thought for the moment was a fire-cracker...

I looked over toward the ARCADE & TREES & saw a

PUFF OF SMOKE come from the trees & I heard 3 more shots after the 1st shot...

THE PUFF OF SMOKE definitely CAME FROM BEHIND THE ARCADE, THRU THE TREES."
