CE 2003 p 27 (24H 210) an affidavit by Givens taken by Mary Rattan:

"I worked up on the 6th floor today until about 11:30 a.m. Then I went downstairs and into the bathroom. At 12 o'clock I took my lunch period. I went to the parking lot at Record and Elm...walked up to Main and Record when the President passed by. I then walked back to the parking lot...We had just got back to the lot when we heard the shooting. I think I heard 3 shots. I did not see anyone in the building that was not supposed to be there this morning."
