Previous investigation has been conducted concerning an allegation that LEE HARVEY OSWALD had a scope mounted on a rifle at the Irving Sports Shop, 221 East Irving Boulevard, Irving, Texas, in early November, 1963. In connection with such investigation, a Mrs. EDITH WHITWORTH has claimed she directed the OSWALD family to the Irving Sports Shop in early November, 1963.

By letter dated June 30, 1964, the President's Commission requested that a check be made of the public records of births for the area which encompasses both Dallas and Irving, Texas, to ascertain the names and addresses of female babies born on October 20, 1963. It was requested that parents of these babies be interviewed to determine whether any of these families have an older female child approximately two and one-half years old and whether any of these families were in Mrs. WHITWORTH's furniture store in early November, 1963, and under what circumstances.

It should be noted that in connection with the requested investigation no contact was had with parents of female babies born on October 20, 1963, where it was established this was their only child. Furthermore, where difficulty was encountered in locating parents who had moved from the addresses they had on October 20, 1963, such individuals were not located and interviewed where investigation to locate them had established they did not have a car fitting the description of a blue and cream or blue and white 1957 or 1958 Ford and where the physical descriptions of the mother and father of such female babies did not in any way fit the descriptions of LEE HARVEY OSWALD and his wife, MARINA OSWALD.
