## State National Guard to Study Its Regulations on Riot Control

5-9-70 NY/

The New York National struction during his six months Guard has decided to review its of basic training. methods of riot control following the killing of four students by National Guardsmen at Kent State University in Ohio earlier this week.

Once the man is assigned to his unit, the officer said, he gets 16 hours of additional training. That 16 hours is an annual requirement for all units in the Guard, he said.

yesterday.

Colonel Joyce went on to say, to squad leaders.
however, that "whether there will be any change depends on said, "reiterated the policies of what the review reveals."

Guard in New Jersey and Con-the carrying of ammunition by necticut said they did not plan Guardsmen unless an order has to review their methods. Both been given by the commanding spokesmen said officers and general. men were periodically reminded ment for civil disturbances and not allowed to load their weapdisasters.

Guardsman is required to take would also have to be given eight hours of riot control in by as a liger.

"We would be negligent if we didn't review our plans," Lieut. Col. Raymond F.
