

Date 11/27/63

At 11:00 A.M., an anonymous telephone call was received at the Dayton Resident Agency, FBI, from a male who advised that on the night of November 22, 1963, he had been watching television and upon viewing the rifle allegedly used in the assassination of President KENNEDY, believed that he had seen a similar weapon advertised. Upon searching back issues of "The American Rifleman" magazine, he discovered an advertisement for a rifle of the same description in the September, 1963, issue. This was advertised as being available for sale at Kline's Sporting Goods, 227 West Washington Street, Chicago, Illinois.

The caller advised that he could furnish no further information in this matter.
