Dear Stewart,

It seems a long time since I last heard from you. I hope that you are well and continuing your work? I have been watching for Mark Lane's book and would be glad if you can notify me when it is coming out and the name of the publisher.

Perhaps you can help me with another piece of information which I need urgently. Do you know if the Nashes, or Mark Lane, or anyone else who may have talked with Aquilla Clemmons tape-recorded or otherwise transcribed the interview? Is there any tape, or transcript of any sort, with questions and answers given by Mrs Clemmons?

I'd be very grateful for a phonecall or return reply as soon as you receive this letter, if you are in a position to provide this information. My number at home is Chelsea 2-4293; at the office, Plaza 4-1234 ext 2024. Many thanks.

Yours sincerely,

Sylvia Meagher
