On November 25, 1963, an extensive search of Marine Corps records on file at the Military Personnel Records Center, St. Louis, Missouri, by Records Center personnel and IC LEONARD LEWIS, failed to locate or identify a service record or service number for YVES LEANDEZ. A check of the name roster (personnel released from active duty and serving in reserve status) also met with negative results. A check of Army and Navy records also met with negative results.
