 Annex: Principles governing United Nations depository libraries	
Annexe: Principes relatifs aux bibliothèques dépositaires des documents et publications de l'organisation des Nations Unies	
Anexo: Normas relativas a las bibliotecas depositarias de las Naciones Unidas	

INTRODUCTION

1. Libraries. The libraries in this list receive material published by the United Nations for the General Assembly and its subsidiary bodies, for the three Councils and their subsidiary organs, and for the Secretariat. (Because the Registry of the International Court of Justice, The Hague, is autonomous in respect of depository and sales arrangements for Court publications, no indication is made here to specify libraries receiving them. Generally speaking, however, Court depositories include United Nations depository libraries.) The libraries listed receive this material:

- (a) free, as depository libraries; or
- (b) by paid subscription through the Sales Section; or
- (c) by paid subscription to the microprint edition in English published by the Readex Microprint Corporation, New York; or
- (d) by exchange of publications; or
- (e) as official United Nations Information Centres.

2. Libraries which subscribe or exchange selectively for less than all the Official Records of the General Assembly and the three Councils are not included in the list. The Library of the Department of External Relations has been omitted under each country unless the Government (e.g. Norway) has requested its inclusion in the list as a library open to the public.

3. Depository libraries are identified in the first left-hand column of the list by letter "D"; parliamentary depository libraries (some of which may not be open to the public) are identified by the letters "PD".

4. Receipts of libraries: printed publications. Most libraries receive printed publications only. Of these libraries, those which receive only the Official Records are identified in the second left-hand column by the letter "O".

5. Mimeographed documents. Libraries are designated by the letter "M" if, in addition to the mimeographed documents issued by the regional economic commission in whose area they are situated, they receive most other mimeographed documents. It should be noted that the bulk of the documents and all of the meeting records remain permanently in mimeographed form in the series of the non-sessional committees of the General Assembly, of all of the committees of the three Councils, of all series of the functional commissions and regional economic commissions of

the Economic and Social Council; and that this is likewise so of the series of petitions and communications to the Trusteeship Council and the observations thereon of the Administering Authorities. For this reason, inquirers for such material should be referred only to libraries listed as receiving it (M).

The reports of commissions to the Economic and Social Council, the reports of committees to the three Councils and the reports of non-sessional committees to the General Assembly will appear in the respective printed Official Records, as supplements or in the annexes. Inquirers for whom such reports are sufficient may be referred to any library receiving printed material, including those listed as receiving at least the Official Records (O).

6. United Nations Information Centres. Included in the list are all United Nations Information Centres existing as of 15 June 1964 established outside the Headquarters and the United Nations Office at Geneva. The year of establishment for each centre is given in square brackets ([]). The centres vary considerably in size of collections and extent of services available to the public.

INTRODUCTION

1. Bibliothèques. Les bibliothèques dont le nom figure sur la présente liste reçoivent les documents que l'Organisation des Nations Unies publie à l'intention de l'Assemblée générale et de ses organes subsidiaires, des trois Conseils et de leurs organes subsidiaires, et du Secrétariat. (Etant donné que le Greffe de la Cour internationale de Justice, à La Haye, arrête lui-même les dispositions relatives aux dépositaires des publications de la Cour et à la vente de ces publications, les bibliothèques dépositaires de la Cour ne sont pas énumérées dans la présente liste, mais ces bibliothèques sont aussi, en règle générale, dépositaires des documents et publications de l'Organisation des Nations Unies.) Les bibliothèques figurant sur la présente liste reçoivent ces documents et publications.

- (a) Gratuitement, si elles sont bibliothèques dépositaires;
- (b) En vertu d'un abonnement payant souscrit auprès de la Section des ventes;
- (c) En vertu d'un abonnement payant souscrit pour l'édition anglaise en micro-impression publiée par la Readex Microprint Corporation, à New York.
- (d) Dans le cadre d'échanges de publications;
- (e) En tant que centres d'information officiels des Nations Unies.

2. Les bibliothèques qui ne souscrivent d'abonnement ou ne procèdent à des échanges que pour certains documents officiels de l'Assemblée générale et des trois Conseils ne figurent pas sur la présente liste. Les bibliothèques des Ministères des affaires étrangères ont été omises pour tous les pays, à moins que les gouvernements (comme le Gouvernement norvégien, par exemple) n'aient demandé qu'elles figurent sur la liste en tant que bibliothèques accessibles au public.

3. La lettre "D" figure en regard du nom des bibliothèques dépositaires, dans la première colonne de gauche; les lettres "PD" figurent en regard du nom des bibliothèques parlementaires dépositaires (dont certaines ne sont peut-être pas accessibles au public).

4. Documents reçus par les bibliothèques: publications imprimées. La plupart des bibliothèques ne reçoivent que les publications imprimées. Lorsque les bibliothèques ne reçoivent que les documents officiels, la lettre "O" figure en regard du nom de la bibliothèque, dans la deuxième colonne de gauche.

5. Documents miméographiés. La lettre "M" figure en regard du nom des

PRINCIPLES GOVERNING UNITED NATIONS DEPOSITORY LIBRARIES

I. GENERAL

1. In order to make the documents and publications of the United Nations freely available throughout the world there shall be maintained a system of depository libraries to which documents and publications will be sent without charge under the conditions outlined below.

II. AUTHORITY

2. The designation of depository libraries is the responsibility of the Publications Board, acting on the advice of the Director of the Dag Hammarskjold Library at Headquarters. In making its decision the Board shall take into account the views of the delegation of the country concerned, of the Office of Public Information, of any other interested departments, of the Library, of the United Nations Office at Geneva and of the United Nations regional offices in the country or region concerned.

3. All correspondence with depository libraries shall be conducted by the Director of the Dag Hammarskjold Library at Headquarters. It shall be the responsibility of the Director to keep the Publications Board, the Library of the United Nations Office at Geneva and other departments and units of the Secretariat which may be affected, informed of this correspondence.

III. ELIGIBILITY

A. Member States

4. Each Member State shall be entitled to one depository library which shall be considered as the national depository.

5. The national parliamentary library of each Member State may also be designated a depository library upon request of the Government concerned.

6. Additional depositories may be designated in Member States. In the selection of such additional depositories principal consideration shall be given to the use which may be expected to be made of the documents and publications, based upon evidence of interest and need, and the degree of development of institutions of higher education and of libraries in the countries concerned. Consideration in designating additional depositories shall also be given to the area and population, as well as to the over-all geographical distribution of the depository libraries.

B. Non-member States

7. One depository library may be designated in each non-member State selected with consideration of the use which may be expected to be made of the documents and publications, based upon evidence of interest and need, and the degree of development of institutions of higher education and of libraries in the countries concerned. Additional depositories in non-member States may be designated only when wider distribution of United Nations documents and publications within the country concerned is clearly in the interest of the United Nations

C. Trust and Non-Self-Governing Territories

8. Depository libraries not to exceed one in each Territory may be designated in Non-Self-Governing Territories and Trust Territories. The selection of such depositories, as of all others, shall be subject to their ability to meet the conditions of deposit, to the use likely to be made of the documents and publications, based upon evidence of interest and need, and the degree of development of institutions of higher education and of libraries in the Territories concerned.

IV. CONDITIONS OF DEPOSIT

9. All designated depository libraries shall undertake to keep the material received in good order and under adequate control, and to make it accessible, free of charge, at all reasonable hours. Depository libraries shall also undertake

to provide, upon request of the Dag Hammarskjold Library at Headquarters, bibliographical assistance and similar special services within the limits of their ability.

V. EXTENT OF DEPOSIT

10. Depository libraries shall receive automatically, according to their needs, either all generally distributed documents and publications of the United Nations, whether reproduced by printing or other processes, or only all generally distributed printed documents and publications, in the official language of their choice.

11. Thus, whereas a complete depository library receives all generally distributed documents, a limited depository library receives only Official Records, consisting of meeting records, supplements and annexes; numbered sales documents produced by letterpress or photo-offset; and pamphlets and periodicals intended for sale.

12. Distribution of documents to all depository libraries shall be made promptly by the Distribution Section of the Publishing Service at Headquarters and by the Documents Division of the United Nations Office at Geneva. Distribution of documents to depository libraries in their respective regions shall be made by the secretariats of the Economic Commissions for Asia and the Far East, the Economic Commission for Latin America and the Economic Commission for Africa. The Office of Public Information shall arrange for distribution of material issued by Information Centres to depository libraries in their respective areas of operation.
