Dear Miss Meagher:

We agree with you that a subject index is badly needed for the Warren Commission's Hearings and Exhibits, but as a matter of house policy here we do not publish indexes or bibliographies as independent volumes. The Government Printing Office might very appropriately bring out your index to go with the Warren Commission volumes they printed.

Thank you very much for giving us the opportunity to consider your proposal, and I hope you index will soon reach publication.

Sincerely yours,

Roger W. Shugg
