Dear Sylvia,

I queried Pochoda about my MLK script. No word yet. It's a good thing the enclosed piece is in an obscure local paper or Dave Phillips would probably sue me for my collage. The reason there are so many terrible books in the photo is that I keep the best ones home and use junk like Davison + Pope photo to fill my university office.

Hope you are on the mend.
Greg comes east soon, for a few weeks.

Best,
Phil
