Re: March and April- 1966- Issues

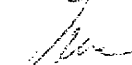

Dear M.S.:

Enclosed please find \$20.00 for copies of the above issues. Why do people still want those ancient articles which represent dusty historical meanderings?

I have had an opportunity to learn more about Garrison. In order to be honest with you, I have had to reappraise him. My feelings, after the appraisal of the man under heavy pressure, is much, much more positive than my former assessment. He is, in my opinion, one of the most sincere and brave persons in the world. His legal work improves at such a pace that the government is confronted with the choice of whom to destroy.

Be well.

Regards,

Vince
