

Dear Mr. Tatro,

Feb, 18, 1975

I was somewhat surprised, and very honored when I received your letter today.

It is heart warming to know there are people like you who are willing to stand up and be counted.

as for my troubles - yes I have suffered physically, and mentally for the stand I have taken. but it is to me a small price to pay if I can help save or bring back the America we once knew.

I would like to say to your students please persevere - they don't have to believe what I have said but read - and make up their own mind - after all they are the future leaders of this country.

I have been asked to lie - I have been told to say nothing, my car was blown up, I was shot at, and I was financially ruined, and am now in the U.A.

Hospital recovering from a shot gun wound.

I have not changed nor will I change. I have to live with with myself and this is most important to me.

I hope you will excuse this short letter. I hope the next time I will feel more up to par. if you write again please address it to - 6011 GASTON AVE APT 217 OAKHILLS TEXAS 75214 - it's safer for me. I would like to leave this with your students (over)

if you perseve the assassination and it's aftermath  
be sure you are willing to pay the full price

Sincerely yours  
Roger Craig

Dear Mr. Tatro

March 17, 1975

Please excuse me for the delay  
in answering your last letter.

I have been back to the doctor  
several times since my release from  
the VA Hospital. I have to see him  
again on the 20<sup>th</sup> March to discuss  
what if anything can restore the  
mobility to the left shoulder.  
But enough of those problems.

There has been many books  
written about the assassination.  
Some of the information was asked  
of me, which I gave freely,  
and will until such time as they  
get someone good enough to interview  
me.

I have not read many of the  
books written as that day Nov 22  
1963 has been burned in my mind  
as if with a branding iron.

There are many things left to be  
said, many questions unanswered.  
Penn has done some extensive investigating  
and I admire him very much.

But on that day I saw the physical  
evidence such as the Porifin test  
on Oswald, and I also was in  
the room when Capt. Fritz talked  
to Oswald and heard all the questions  
and answers, Deputy Luke Mooney  
and I found the empty shells on  
the sixth floor, Deputy Eugene  
Boone and I found the ~~shot~~ rifle  
which I might add was a 7.65 Mauser  
so stamped and the Barrell.

and somewhere between the Book  
depository it changed to another

Type of weapon? when it arrived  
at the Police station.

I would be happy to answer any  
question if you have concerning my  
role in the investigation as I have  
always done.

after all I was born here in the US  
and served my time in Korea, and  
this is my country too.

as to my leaving Texas I would  
love to however I have never asked  
for assistance nor will I, when and

if these people damn here allow me  
to earn enough money to leave I  
would be more than happy to oblige

them. I applied for a job recently  
and of course I was

The letter the sent my ~~past~~ <sup>present</sup> ~~past~~ <sup>present</sup> active employees was as follows.

Roger Craig is not desirable for re-employment with this Dept.

Due to his involvement in the

Cloy Show Trial (and quite)

now I suppose answering a summons

could be called involvement but I thought it was obeying the law of the land

and when I do think im getting

together someone blows my left

shoulder off with a shot gun.

However I will keep going one step at a time.

But as I have said I would

be happy to answer any and all

Questions you wish to ask of

me.

as for all the burglary of watergate  
and the bugging, the first tapes  
disappeared during the Ruby trial  
when the court room was bugged  
and a van outside was taping the  
whole thing, and the second was  
when David Bellin took my statement  
he recorded it, and by his own  
admission those tapes are missing.  
again thank you for writing and  
Take care of yourself  
Hope to hear from you soon.

Sincerely yours

Roger Craig

PS please excuse the bad writing  
it's hard to hold paper pen and  
~~want~~ write with the same hand.  
Maybe I'll get a secretary H.S.

Dear Ed,

It seems I am always saying  
I'm sorry but I am for  
the delay in writing this letter  
but I have my law's and  
it would seem this is one of  
them, I would like to say for  
one time in my life I am not  
sorry for anything I did, to stand  
up and say take your best  
shot I will not change. I suppose  
this is childish but I am tired  
Ed and need a place to rest.  
However to get to the Fitty Fitty  
w citizen is the one who classified  
the rifle but I did see the stamp  
7.65 Mauser on the barrel so  
there was no question.

and yes it did have a scope  
mounted on it,  
and that was at 1.05 PM or  
I looked at my watch when the  
Dallas police officer told us a  
Officer had been killed in our cliff  
so you see Tippett was dead at  
approx. 1.05 PM, an impossible task  
for Oswald.

as to the photograph of the shells  
they were in uniform lying on the  
floor no more than two inches apart  
all facing the same direction when I  
found them, and there was no long  
bag to carry a rifle in only the  
lunch sack and cold drink bottle,  
and I searched with the gusto of a  
hound dog! as for the man running  
down the Grassy Knoll and the Station  
woman Dick Jensen has a picture of

PIEK SPRAGUE  
HAS PICTURE  
OF

This or well as the clock showing  
what time 12:44 PM, I saw them  
in New York, why he doesn't  
show them I will never understand,  
as for the attempts on my life  
I don't know who is behind it.  
I have been shot at in 67, in  
69 my life was threatened and  
in 70 my car was blown up  
in 71 I was run off a mountain  
in West Texas and my back  
broken or well on my shoulder, my  
left elbow, my left foot and my  
right leg. So I have suffered somewhat  
and then to top all that my wife  
left me in 73 and took the children  
so I say again if you or your  
students please this be sure you  
are willing to pay the full price

as for what was on the tape  
of my Testimony that is missing.  
Bellini asked me to identify some  
clothing which I did and this is all  
changed, however it was correct  
on the tape also the description  
of the suspect and the station  
wagon was correct on the tape but  
not in my testimony, also the  
time factor was changed somewhat,  
and the people I talked to such as  
officer Baker was omitted.

The tramp in the middle approached  
Perrin and I in Los Angeles when  
we did ask him there and before I  
could question him he ran away  
this was some 5 or 6 years later  
there was no cigarette package found  
on the 6<sup>th</sup> floor.

Please ed Don't worry about  
asking me anything I may be slow  
in answering but I will always  
write. I have been pined financially  
and my reputation has suffered, I  
have been totally disabled but  
until they who ever they are silence  
me I will continue to tell it  
like it was

Sincerely yours

Roger Craig
