Dear Mr. Newcomb:

With regard to your letter of February 5, 1975: The Lyndon Baines Johnson Library does have a transcript of communications between Air Force One, the Cabinet plane and the White House Situation Room on November 22, 1963 -- although there is no way of knowing whether this is the transcript you cited as having been used by Messrs. White, Manchester and Salinger.

*Resolution*  
There are certain problems to be resolved before I can determine whether the transcript can be opened at this time. To help in the research of those problems I am sending a copy of the transcript to Dr. Daniel Reed, Office of Presidential Libraries, National Archives and Mr. John Stewart at the John F. Kennedy Library.

I hope we will have an answer for you very soon.

Sincerely yours,

  
Harry J. Middleton  
Director
