Dear Ms. Schlumberger,

Thank you very much for sending me the special issue on the JFK assassination. I should like to congratulate you and your colleagues on the excellence and balance of the presentation. You have made an impressive contribution to the new wave of information and interest in the case.

May I thank you again also for your very generous remarks about my work on the assassination.

I hope that Esquire did not soak you for the right to reprint my article. In any case, I have not heard from them about any royalty. If that means that they did not charge you, I shall be very happy. Otherwise, could you please let me know whether I have any entitlement from Esquire and how much? I shall be most grateful for the information.

With renewed congratulations and thanks,

Yours sincerely,

Sylvia Meagher
